

Ordinary Maintenance & Repair Acknowledgement
May 2019

This form must be signed prior to maintenance and repair work on contributing structures. A map of contributing structures can be found at www.huttotx.gov/GIS or by contacting the Planning division.

Name: _____

Project Address: _____

I intend only to complete ordinary maintenance and repairs, not involving any change in dimension, material, configuration, or outward appearance to the historically contributing structure. I understand that any addition, alteration, demolition, renovation or modification to the structure beyond basic maintenance and repair is subject to full review by the Historic Preservation Commission, and must be approved prior to the start of the project or issuance of any permits.
